Subject: Name Change for Cash Deposit Held by Utah State Treasurer, Chief Consolidated Mining Company, Tintic Operations, M/049/0062, Utah County, Utah

Dear Ms. Pedroza:

The Utah State Treasurer is presently holding funds for the benefit of the State of Utah, Division of Oil, Gas and Mining as a form of reclamation surety for Tintic Utah Metals. Recently, the company name has been changed as well as our permit number. The current Company name is Chief Consolidated Mining Company, and the project name is Tintic Operations. The new permit number for this project is M/049/0062. Please change your records to reflect this change.

Chief Consolidated Mining Company is also taking over the Lime Peak Quarry (M/049/0047) and is providing a cash surety for this project as well.

Thank you for your prompt attention to this matter. If you have any questions, please call Penny Berry at 801-538-5291

Sincerely,

Paul B. Baker
Minerals Program Manager
